Single source PCB supplier

- Single sided to 44 layers
- Rigid, flex and rigid/flex
- Prototype through production
- Domestic and off-shore production

### Conveyor Technologies, Inc.

[www.conveyor-technologies.com](http://www.conveyor-technologies.com)

- Material handling conveyors, loaders/unloaders, buffers, flippers, work-stations.
- Depaneling equipment
- PCB marking equipment
- Insertion & assembly equipment
- Flat belt & general materials handling systems
- Pallet systems
- Custom automation

### Panasonic Factory Solutions Company

[www.panasonicfa.com](http://www.panasonicfa.com)

- Flexible SMT placement systems
- High-speed SMT placement systems
- Automated screen printers and dispensers
- Axial and radial inserters
- Flip chip bonding systems
- Die bonding systems
- Plasma cleaners

### Checksum

[www.checksum.com](http://www.checksum.com)

- In-circuit test, Functional test, Boundary Scan, Test-Jet Technology
- Component Programming
- Fixtures and Software

### YESTech

[www.yestechinc.com](http://www.yestechinc.com)

- Benchtop Automated Optical Inspection (AOI) systems
- In-line AOI systems
- 2D X-Ray inspection systems
- 3D X-Ray inspection systems

### Contact Systems

[www.contactsystems.com](http://www.contactsystems.com)

- Flexible SMT pick & place
- Semi-auto through-hole cut & clinch systems
